NOTICE TO CUSTOMERS MAKING PAYMENT BY CHECK

Authorization to Convert Your Check: If you send the Federal Communications Commission a check to make your payment, your check will be converted into an electronic fund transfer. “Electronic fund transfer” is the term used to refer to the process in which we electronically instruct your financial institution to transfer funds from your account to our account, rather than processing your check. By sending your completed, signed check to us, you authorize us to copy your check and to use the account information from your check to make an electronic fund transfer from your account for the same amount as the check. If the electronic fund transfer cannot be processed for technical reasons, you authorize us to process the copy of your check.

Insufficient Funds: The electronic fund transfer from your account will usually occur within 24 hours, which is faster than a check is normally processed. Therefore, make sure there are sufficient funds available in your checking account when you send us your check. If the electronic fund transfer cannot be completed because of insufficient funds, we may try to make the transfer up to two (2) additional times.

Transaction Information: The electronic fund transfer from your account will be on the account statement you receive from your financial institution. However, the transfer may be in a different place on your statement than the place where your checks normally appear. For example, it may appear under “other withdrawals” or “other transactions.” You will not receive your original check back from your financial institution. For security reasons, we will destroy your original check, but we will keep a copy of the check for record keeping purposes.

Your Rights: You should contact your financial institution immediately if you believe that the electronic fund transfer reported on your account statement was not properly authorized or is

otherwise incorrect. Consumers have protections under a Federal law called the Electronic Fund Transfer Act for an unauthorized or incorrect electronic fund transfer.

Effective Date: The policies outlined above are effective 30 days from the above release date of this Public Notice.

Questions regarding this notice may be directed to the FCC FO Help Desk at 877-480-3201, option 4 or e-mailed to ARINQUIRIES@fcc.gov.
